

## **AGD: Equity & Inclusion Officer**

### **What would you like to change in the Bye-Laws?**

Rename the Equity Officer to Equity & Inclusion Officer. Add the Equity & Inclusion Officer to the membership of Activities Zone and Education Zone.

### **Why would you like to do this?**

The “inclusion” part of the officer title was left off in the discussions previously in the Review of Officer Portfolios. Equity & Inclusion Officer will also bring greater clarity that the portfolio is to represent the interests of students who are marginalised as well as advocate for a more equitable and inclusive environment for our students. Equity and inclusion is a matter that concerns all areas of our work and therefore should be considered in all of our Policy Zones.

### **How will this affect students?**

Students will have greater clarity on the portfolio of the role as well as the Union’s commitment towards creating a more equitable and inclusive world.

### **When should this take effect?**

This should be enacted in time for the Leadership Race in term 2.
