Knowledge Exchange

CRIS Celebrate & Inspire

Thu 30 Sep | 12:00 - 14:00

A 2-hour Welcome event to hear from previous CRIS students and community collaborators about their research and experience of working together.

Skills Workshop 1

Mon 25 Oct | 13:00 - 14:00

Project Planning & Implementing
Make even more of your time at UCL and join this 1-hour super practical session, full of tips and tricks for planning your projects. The focus is on collaborative research between students and research staff and the voluntary sector.

Research Consultation Clinic

Mon 22 Nov | 13:15 - 15:00

Voluntary Sector
Calling all voluntary sector organisations! Book yourself a free space for this clinic where trained senior PhD students will work with you to develop your ideas for important research-with-impact into project outlines.

Launch of the Community Noticeboard

Mon 10 Jan

An online resource for students and research staff to browse the ideas and projects that our voluntary & community sector experts consider important to take forward. Be dissertation inspired! Find your dream collaborator!

Student-Community Networking Event

Wed 23 Feb | 10:00 - 11:30

An opportunity to be in the room with different voluntary & community sector organisations looking for research students. Think about it - you have to do a dissertation, you want it to be impactful, to matter. This is how to make your dissertation matter.

CRIS Check-In 1

Thu 30 Jun

You're never on your own. The first of three check ins by CRIS to make sure projects teams are happy!

CRIS Check-In 3

Wed 24 Aug

You're never on your own. The final check in by CRIS to make sure projects teams are happy!

Induction & On-boarding

Wed 06 Oct | 13:00 - 14:00 OPT 1

Thu 07 Oct | 09:00 - 10:00 OPT 2

Fri 08 Oct | 15:00 - 16:00 OPT 3

Choose from 3 information sessions to get your 2021-22 CRIS handbook and find out your next steps to get involved. Students, staff, and organisations welcome!

Skills Workshop 2

Mon 15 Nov | 13:00 - 14:00

Active Listening & Artful Storytelling
Make even more of your time at UCL and join this 1-hour super practical session where you will learn the importance of listening to others as well as how to tell your own story - both essential skills in collaborating with people with different perspectives.

Skills Workshop 3

Wed 15 Dec | 13:00 - 14:00

Introduction to Participatory Methods
Make even more of your time at UCL and join this 1-hour super practical session introducing you to the exciting and creative methods to help you work really effectively during collaborative research with a non-academic partner.

Expressions of Interest Opens

Mon 31 Jan

Fill in our webform and tell potential collaborators from the voluntary & community sector that you'd like to meet!

Research Partnership Agreement Deadline

Tue 31 May

Develop this living document with your supervisor and community collaborator to keep your collaborative dissertation on track. Provided by CRIS.

CRIS Check-In 2

Fri 29 Jul

You're never on your own. The second of three check ins by CRIS to make sure projects teams are happy!

Community Product Deadline

Wed 30 Nov

In the weeks after your submitted your dissertation, turn your focus now to the community product to make sure your work has real impact outside of the university.
