

Club and Society Room Bookings

- Clubs and societies can request a 'block booking' (regular booking) through our online webform. We will email presidents and treasurers details of the form you need to complete to request a block booking. Please note, due to the high demand for rooms, you are not guaranteed to receive the booking you request.
- Ad-hoc (one off) bookings can be made by presidents at any point during the year, by completing our [ad-hoc room booking request form online](#).
- Rooms can only be booked by a club or society president or treasurer.
- Clubs and societies are allowed to request a maximum of 6 hours of block bookings per week. Due to the high demand for rooms, we cannot guarantee 6 hours of bookings per week for all clubs and societies.
- If you do not provide suitable alternative preferences or if you complete the form incorrectly, you may not be allocated any bookings for the term.
- If you have booked a room, but no longer require the booking, you must notify su.activities@ucl.ac.uk as far in advance as possible. If you fail to notify us of any cancellations your room booking privileges will be revoked.
- For details of UCL spaces (Christopher Ingold, Chadwick, South Quad, Main Quad, Wilkins Building), please contact the [UCL Estates Room Bookings Department](#) at roombookings@ucl.ac.uk for more information. For A/V support in UCL rooms, please contact av-support@ucl.ac.uk.
- If you require additional bookings, club and society presidents will be able to make these through the [UCL Estates Room Bookings system](#) once you have access.
- You can refer to [UCL Campus Maps](#) for the locations of any buildings below.
- Please note, the details below show reduced capacities to ensure compliance with Covid-19 regulations.
- The availability of these rooms is subject to change. Additional rooms may be added later in the year, so keep an eye out!
