

# A reminder that we are here to help!

The UCL Academic Communication Centre (ACC) supports UCL students to develop their academic language and literacies. We assist students of all language backgrounds, across faculties, at all levels of study, to communicate more effectively in their discipline. We work closely with UCL academic departments and faculties to develop tailored support.

# Support available right now

For **faculty specific support**, access is via your ACC faculty Moodle – all signposted from here →

For example:

One-to-one tutorials

PGT dissertation / research project writing courses

For **cross-faculty support**, click on the links below:

[Webinars](#)

[Writing retreats](#)

[Asynchronous resources](#)

# Contact us

**Faculty reps:** I would love to have a chat with you to discuss all the ACC support available within your faculty and how we can work together to make it even better – email me: [ayanna.prevatt-goldstein@ucl.ac.uk](mailto:ayanna.prevatt-goldstein@ucl.ac.uk)

For any **general student queries:** [acc@ucl.ac.uk](mailto:acc@ucl.ac.uk)
