

## AGD: Volunteering Officer

What would you like to change?

Introduce a new Student Officer with the job title 'Volunteering Officer'. The creation of this role was approved by Activities Zone on 24 February 2022.

The Volunteering Officer will lead on supporting and championing volunteering initiatives and events as well as providing a link between clubs, societies and the Volunteering Service. The Volunteering Officer will work closely with the Activities & Engagement Officer to represent the views of students engaged in volunteering.

When should this take effect?

The Volunteering Officer should be elected at the next round of elections.
