

New Club/Society Affiliation Criteria 2021/22

Please consider your application in line with the following criteria:

The club/society must not conflict with Students' Union UCL 's Memorandum and Articles of Association, Byelaws or polices. They can be found on the union website: <https://www7.studentsunionucl.org/about-us/governing-documents>

New clubs/societies should not significantly overlap with any activities provided by existing clubs and societies. Please refer to the clubs/societies directory on the union website: <https://studentsunionucl.org/clubs-societies/directory>

There must be proven interest in the new club/society from UCL students. This can be demonstrated through the application form and from gathering 30 signatures from UCL students.

That applicants can demonstrate how the new club/society would enhance the student experience at UCL.

The activities of the club/society must be practical for the union to support within its current resources. A club/society that the union cannot provide suitable resources for may not be affiliated.

Every new club/society must be open to all members of Students Union UCL.
