## The Student Hub - Lewis's Building

Study Space  
Shared Events Space

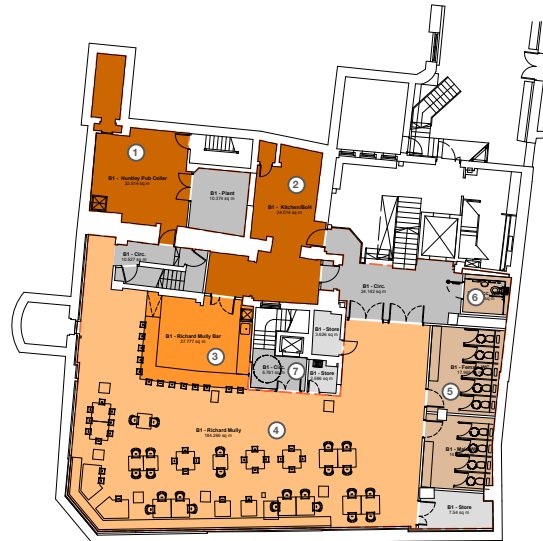

Also...  
Richard Mully's Bar  
George Farha Cafe  
Huntley Pub

The Lewis's Building at Gower Street already provides a number of bars and cafe spaces. Currently the George Farha cafe attracts footfall from Euston station and the Huntley Pub and Richard Mully's Bar already host a number of student events. As such, this building is already suited to being the focus of the food and drink offers for the Union.

The spaces on the first and second floor, which will be freed up due to the consolidation of Union staff within 25 Gordon Street, lend themselves to becoming study areas - replacing the Wolfson Study Space on the second floor of 25 Gordon Street with much better, improved spaces for students. These moves enables the Union to improve it's commercial offer and focus on catered hot food.
