

UCL student volunteering by borough 2019-20

The table represents students engaging in activities through the Students' Union UCL Volunteering Service. The postcode data was drawn from the location of the opportunity or, where this was unclear, from the main address of the community organisation where students were volunteering.

Borough	Number of volunteers	% of volunteers	Change from last year
Camden	1015	43%	+28
Westminster	262	11%	-106
Tower Hamlets	231	10%	+102
