

AGD: Minor Bye-Law Changes

Proposed by: Carol Paige

What would you like to change in the Bye-Laws?

Change Bye-Law 10.9.a to state;

“Any complaints about the conduct of candidates and their supporters must be made in writing in the time specified by the elections schedule.”

Change Bye-Law 14.2.a to state:

“The Leadership Team Executive Assistant can advise on the appropriate person to contact if the person making the complaint is unsure who to contact.”

Why would you like to do this?

These are minor changes to correct typographical errors/omissions in the Bye-Laws.

How will this affect students?

This will affect students by making the governing documents of their Union more accurate and easier to understand.
