

# THINK RIGHT.

# VOTE RIGHT.

# VOTE ABIR.

So you might remember me as the guy who carries a Foster's in his hand just to introduce himself - "My name's Abir, you know like a-beer." (isn't that so cool?) And now I'd like you to remember me as the guy who would be proudly representing Ramsay and Ian Baker Halls at the union this year.

"I'd love to be able to improve your experience here, at this bastion of Fresherdorm. Just remember I'm friendly, approachable and only a message away. Consider voting for me. I won't let you down. Cheers!

## My Targets:

- A pledge to tackle sexual harassment
- Getting a 24-hour coffee machine for our all-nighters.
- Having a bonafide gaming room for us FIFA/Fortnite lovers.
- Extending dinner time to 8 P.M.
- Having fire-alarm tests in the afternoon, instead of at 7 in the morning.
- Bringing in a ping-pong table for our beer-pong games.
