

SADDIQR RAHMAN

NO.1 FOR PGSO

BURSARIES AND CHILDCARE FUNDING FOR PARENTS AND CARERS

- Postgraduate students are facing increasing financial tension which is a major matter affecting academic achievement.
- More bursaries and financial support will be brought to combat the financial strain postgraduate students face daily

ACHIEVE THE LONDON LIVING WAGE FOR PG STUDENTS WHO

- Working in London as a Postgraduate student is no easy task with students facing steep living costs and rent. Work will be done to combat poverty pay to ensure post-graduate students do not compromise their academic success

IMPROVE EDUCATIONAL FACILITIES

- Strides are being made in ensuring appropriate funding for counselling and improved accessibility for disabled students.
- Students wait months until they receive treatment and the battle will continue to make such waiting times a thing of the past

BUILD A RELIABLE MENTAL HEALTH AND DISABILITY INFRASTRUCTURE WITHIN UCL

- Will be working very closely with other student sabbatical officers to ensure an effective team effort to meet objectives that benefit all students.
- Will be looking to increase the number of quality study spaces and granting student access to room booking facilities

Why me?

I feel privileged to have previously been elected by you, the student body, as your Trustee of UCLU. It has given me invaluable insight into the dynamics of the Students' Union and an opportunity to work with current sabbatical officers to ensure the delivery of policy. With your support, it is now time to get into the driver's seat and use my expertise to deliver the goods.
